2. The view expressed in paragraph 2 of the letter in regard to the sending of advance copies of representations should not be held as holding good in the case of Government servants under the rule-making control of this Government as according to the orders issued by this Government it is not permissible for such Government servants to send advance copies of their representations except when they are addressed to the Honourable Ministers.

By order of the Governor of Bombay,

M. D. BHAT,

Chief Secretary to the Government of Bombay,
Political and Services Department.

Copy of a letter from the Government of India, Ministry of Home Affairs, No. 24/13/49-A.I.C., dated the 2nd November 1949.

Subject:- Representations from All-India Service officers.

I am directed to say that cases have recently come to the notice of the Government of India in which representations from officers of an All India Service addressed to the Government of India through the Provincial Governments were with held by the Provincial Governments concerned. It was suggested that sending of advance copies of such representations to the Government of India was contrary to official properiety and procedure. The Provincial Governments concerned also suggested that the Central Government should not take any notice of such advance copies.

2. The Government of India would like to emphasize, that they are vitally concerned in the welfare of officers belonging to the All India Services and have to ensure that any representations relating to their services conditions from such officers are given due consideration. Such representations must reach the Government of India with the views of the Provincial Governments thereon. They would also like to make it clear that sending of advance copies of representations to a higher authority in such cases in normal and a recognised practice and there is nothing in it which is contrary to official propriety and procedure.

3. In the circumstances I am to request the Provincial Governments to ensure that no representation from officer of an All India Service addressed to the Government of India is withheld under any circumstances.
